Gwen and Ed Beideman (Willow Run Consulting), the Township's SEO, attended the meeting to provide input on the Ray Sheller (5916 Timothy Dr) fee dispute. The Township received a letter from Mr. Sheller challenging the fees that he was charged for changes to his sewage flows. He is adding a one-chair hair salon at his property, as well as an additional bedroom to the house. Gwen had previously supplied the township with a letter supporting the time she spent on Mr. Sheller's project. After review and discussion, Beiler made a motion to hold the fees as charged by the SEO in the amount of \$1,332.50. Seconded by Stoltzfus. All voted in favor.

Gordon Hoover presented information that was provided to him by the White Horse Fire Company for the purchase of a new tanker truck. In order to receive the best discount, the Fire Company is choosing to put \$300,000 down (out of the total purchase of \$575,000). The Fire Company is requesting this money from the fire funds that have been set aside for large equipment purchases. The money being put down as a down deposit has been bonded. The remainder of the funds are due upon delivery of the unit. After review, Stoltzfus made a motion to authorize release of \$300,000 for the White Horse Fire Company for the tanker purchase and to authorize the manager to develop a policy for future uses from the fire fund account. Seconded by Beiler. All voted in favor.
