

SUPERVISORS WORK SESSION
MAY 17, 2022- 2:30 PM
SALISBURY TOWNSHIP MUNICIPAL BUILDING

Supervisors in attendance were Chris Beiler and Gordon Hoover.

Others in attendance were Michael Stoltzfus, Steven Stoltzfus, Dave Lapp, Sam Stoltzfus, Damian Clawser (Zoning Officer), Kirsten Peachey (Township Manager).

Items covered in this work session: EMS Services for Salisbury Township; Proposed Zoning Ordinances Changes.

Michael Stoltzfus, Steven Stoltzfus, Dave Lapp and Sam Stoltzfus attended the meeting on behalf of White Horse Fire/EMS. Township Staff had recently received an email stating that Christiana Ambulance had lost several more board/staff members. The Board of Supervisors invited the White Horse Ambulance to attend and help provide the Board with feedback on their current coverage area, volunteers, number of calls, etc. so that the Township can be prepared and have a sense of what needs to happen if/when Christiana Ambulance is no longer about to service the portion of Salisbury Township from Route 30 and south. After discussion, White Horse Ambulance is comfortable with their current coverage area but do not feel they would be able to take on the remainder of Salisbury Township as a volunteer company, nor do they want to look at moving to partial paid/volunteer staff at this time. They would be in support of finding a way to help Christiana Ambulance to be able to continue to operate. The Township will continue conversations with Christiana Ambulance and the neighboring municipalities that also rely on their services to see what can be done.

The Board reviewed the proposed ordinance changes as prepared by the Township Solicitor and Township Staff based on prior feedback and discussions with the Board.

The meeting adjourned at 4:15 PM. The next regular Board meeting will be held tonight at 7:00 PM.

Respectfully Submitted,

Kirsten J. Peachey
Secretary- Salisbury Township
