A request was received to reduce the financial guarantee being held for Freedom Land (MTN210603). After review, Hoover made a motion to approve releasing \$513,188.90, leaving a remaining balance of \$582,291.36, as recommended by the Township Engineer. Seconded by Beiler. All voted in favor.

The Township received a request from Lancaster County Planning Department for a Letter of Support for a Watershed-Based Stormwater Management Plan Update (Act 167). The County is proposing to study and update the calculations for each watershed in the county individually but under one countywide contract. They feel this should provide cost savings and efficiencies through economies of scale. The County is also proposing to draft a model stormwater management ordinance that will be responsive to local needs while meeting PA DEP requirements. After discussion, Hoover made a motion to provide a letter of support for this project. Seconded by Beiler. All voted in favor.

The Board meeting for tonight at 7:00 PM has been cancelled due to lack of a quorum. The next meeting will be held on June 6, 2023, at 7:00 AM, with a work session to follow at 7:30 AM (if needed).

Beiler made a motion to adjourn at 2:48 PM. Seconded by Hoover. All voted in favor.

Respectfully Submitted,

Kirsten J. Peachey  
Secretary- Salisbury Township
